Citizen comments:

-Arlen Miller –what is formula for charging?

-Supervisor David-70 ft. = (1) unit \$55.00

-Arlen Miller-How do we change that, charge everyone that uses the lake.

-The estimated cost to treat the lake is \$20,100, which would be an estimated cost of \$55.00 per lake front lots. Round Lake has about 415 properties and approximately 362.5 units. We added about 12 quarter units. Channel people are included on the new roll. We have received no written objections to the roll.
